Susan –OECA received a FOIA request back in July from Buzzfeed requesting “copies of any discussions related to changes in EPA enforcement strategies from January 20, 2017 to the date of the request (July 12). The production is attached and apparently Buzzfeed was told they could expect a response by October 13. I wanted to make sure you knew about it and that you were OK with it and didn’t see any issues. Let me know if you have any questions or want to chat. I can come to your office.

These are the records OECA plans to release in response to a Buzz feed FOIA request.

Larry,

As we discussed on the phone, here are all the responsive documents, including the response letter. Please let us know when we have the okay and it is able to be closed out in FOIAonline. We had agreed on a response deadline of October 13, 2017 with the requester.

Thanks,
